MEMORANDUM FOR THE RECORD

SUBJECT: Nametracing Course

25X1A9a 1. [REDACTED] C/DHP/SG, asked me to give him a hand in getting the planning started for the nametracing course. He informs me that C/CI/RAA agreed - according to C/RED - to have a proposed outline of a nametracing course prepared by CI Staff. In [REDACTED] absence, 25X1A9a C/CI/RAA may have had [REDACTED] CI/RSO, in mind. (It was my recollection that [REDACTED] DHP/TRO, had the initiative for this task). In any 25X1A9a case, I agreed to find out what C/CI/RAA's wishes are.

25X1A9a 2. Perhaps the best solution would be to call another meeting to get this underway again. If C/CI/RAA agrees, I will arrange a meeting of [REDACTED] (who will probably be most directly 25X1A9a involved for the staff), and [REDACTED] to agree on how to develop a proposed curriculum. (Such a curriculum would be prepared in consultation with CS personnel such as [REDACTED]). 25X1A9a Once a proposed curriculum was ready, it would be submitted to the CSRC Working Group for consideration.
